Course of Study
with panelists and
presenters from
the standards
writing team!

Auburn High School
April 20, 2020
5PM - 7PM CT
\$10 at door or
\$8 Pre-Registration

Reserve your spot at www.eactm.com

EACTM is excited to be hosted by Auburn High School for this year's conference, April 20, 2020. This year's conference will provide support for mathematics teachers and district leaders in implementing and understanding the new mathematics course of study. The new course of study may be found at this link: <https://www.alsde.edu/sec/sct/COS/Forms/AllItems.aspx>.

The conference will begin at 5:00 PM where panelists from the AL course of study writing team will be fielding questions from stakeholders. Questions for the panelists may be asked here: <https://forms.gle/shKW8XVh3GQNfBe89>. EACTM will compile these questions in order to efficiently communicate the questions to the panelists during the discussion. After the panel session, participants will be provided a pizza supper and EACTM will conduct a brief business meeting. The conference will end with panelists and other presenters providing deeper dives into the new AL Course of Study. The conference will end at approximately 7:00PM.

Please pre-register at www.eactm.com and pay \$8.00 for the conference through paypal, \$10 at the door, or register a group of 5 or more for \$5.00 per person through paypal. Checks from school systems may be made out to EACTM or send paypal payments to admin@eactm.com leaving a note of who payment is for.

We look forward to seeing you at Auburn High School to increase our 2020 Envision of the AL COS!
